## Traffic in Muirhead and School parking

Parking at Birkhill Primary. It has been spoken about at Angus Council traffic coordinators meeting and letters have been written to parents but it is still an issue and getting worse. Local residents to log issues and take photos which will be passed to both Angus Council and Community Police.

Parking on Coupar Angus road at chemist and area round the junction / shop. Issue at chemist with cars leaving no pavement space forcing walkers onto the road and dangerous parking in other areas. Can we get markings put on pavement at chemist?
