22 September 2022

Angus Integration Joint Board Audit of 2021/22 annual accounts

Independent auditor's report

1. Our audit work on the 2021/22 annual accounts is now substantially complete. Subject to receipt of a revised set of annual accounts for final review, we anticipate being able to issue unqualified audit opinions in the independent auditor's report on 22 September 2022 (the proposed report is attached at [Appendix A](#)).

Annual audit report

2. Under International Standards on Auditing in the UK, we report specific matters arising from the audit of the financial statements to those charged with governance of a body in sufficient time to enable appropriate action. We present for the Audit Committee's consideration our draft 2021/22 annual audit report.

3. In addition to our audit of the annual accounts the report also sets out conclusions from our consideration of the four audit dimensions that frame the wider scope of public audit as set out in the Code of Audit Practice. This report will be issued in final form after the annual accounts have been certified.

Unadjusted misstatements

4. We also report to those charged with governance all unadjusted misstatements identified during the course of our audit, other than those of a trivial nature, and request that these be corrected.

5. One misstatement of £0.239 million has not been adjusted in the annual accounts, as management considers that it is not a material amount. On 30 August 2022 the Scottish Terms and Conditions Committee concluded that a job description was matched as Band 6 (and not Band 7). The unaudited accounts include the accrued service costs for the potential regrading of relevant posts which will now not be incurred. Net expenditure in the Comprehensive Income and Expenditure Statement is therefore overstated by £0.239 million and net assets in the Balance Sheet are understated by the same amount.

Fraud, subsequent events and compliance with laws and regulations

6. In presenting this report to the Audit Committee we seek confirmation from those charged with governance of any instances of any actual, suspected or alleged fraud; any subsequent events that have occurred since the date of the financial statements; or material non-compliance with laws and regulations affecting the entity that should be brought to our attention.

Representations from Chief Finance Officer

7. As part of the completion of our audit, we are seeking written representations from the Chief Finance Officer on aspects of the annual accounts, including the judgements and estimates made. A draft letter of representation is attached at [Appendix B](#). This should be signed and returned to us by the Chief Finance Officer with the signed annual accounts prior to the independent auditor's report being certified.

APPENDIX A: Proposed Independent Auditor's Report

Independent auditor's report to the members of Angus Integration Joint Board and the Accounts Commission

Reporting on the audit of the financial statements

Opinion on financial statements

I certify that I have audited the financial statements in the annual accounts of Angus Integration Joint Board for the year ended 31 March 2022 under Part VII of the Local Government (Scotland) Act 1973. The financial statements comprise the Comprehensive Income and Expenditure Statement, Movement in Reserves Statement, Balance Sheet and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and UK adopted international accounting standards, as interpreted and adapted by the Code of Practice on Local Authority Accounting in the United Kingdom 2021/22 (the 2021/22 Code).

In my opinion the accompanying financial statements:

- give a true and fair view in accordance with applicable law and the 2021/22 Code of the state of affairs of the body as at 31 March 2022 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with UK adopted international accounting standards, as interpreted and adapted by the 2021/22 Code; and
- have been prepared in accordance with the requirements of the Local Government (Scotland) Act 1973, The Local Authority Accounts (Scotland) Regulations 2014, and the Local Government in Scotland Act 2003.

Basis for opinion

I conducted my audit in accordance with applicable law and International Standards on Auditing (UK) (ISAs (UK)), as required by the [Code of Audit Practice](#) approved by the Accounts Commission for Scotland. My responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of my report. I was appointed under arrangements approved by the Accounts Commission on 10 June 2021. The period of total uninterrupted appointment is two years. I am independent of the body in accordance with the ethical requirements that are relevant to my audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standard, and I have fulfilled my other ethical responsibilities in accordance with these requirements. Non-audit services prohibited by the Ethical Standard were not provided to the body. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Conclusions relating to going concern basis of accounting

I have concluded that the use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work I have performed, I have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the body's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from when the financial statements are authorised for issue.

These conclusions are not intended to, nor do they, provide assurance on the body's current or future financial sustainability. However, I report on the body's arrangements for financial sustainability in a separate Annual Audit Report available from the [Audit Scotland website](#).

Risks of material misstatement

I report in my Annual Audit Report the most significant assessed risks of material misstatement that I identified and my judgements thereon.

Responsibilities of the Chief Finance Officer and Audit Committee for the financial statements

As explained more fully in the Statement of Responsibilities, the Chief Finance Officer is responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the Chief Finance Officer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Chief Finance Officer is responsible for assessing the body's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is an intention to discontinue the body's operations.

The Audit Committee is responsible for overseeing the financial reporting process.

Auditor's responsibilities for the audit of the financial statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. I design procedures in line with my responsibilities outlined above to detect material misstatements in respect of irregularities, including fraud. Procedures include:

- obtaining an understanding of the applicable legal and regulatory framework and how the body is complying with that framework;
- identifying which laws and regulations are significant in the context of the body;
- assessing the susceptibility of the financial statements to material misstatement, including how fraud might occur; and
- considering whether the audit team collectively has the appropriate competence and capabilities to identify or recognise non-compliance with laws and regulations.

The extent to which my procedures are capable of detecting irregularities, including fraud, is affected by the inherent difficulty in detecting irregularities, the effectiveness of the body's controls, and the nature, timing and extent of the audit procedures performed.

Irregularities that result from fraud are inherently more difficult to detect than irregularities that result from error as fraud may involve collusion, intentional omissions, misrepresentations, or the override of internal control. The capability of the audit to detect fraud and other irregularities depends on factors such as the skilfulness of the perpetrator, the frequency and extent of

manipulation, the degree of collusion involved, the relative size of individual amounts manipulated, and the seniority of those individuals involved.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of my auditor's report.

Reporting on other requirements

Opinion prescribed by the Accounts Commission on the audited part of the Remuneration Report

I have audited the part of the Remuneration Report described as audited. In my opinion, the audited part of the Remuneration Report has been properly prepared in accordance with The Local Authority Accounts (Scotland) Regulations 2014.

Other information

The Chief Finance Officer is responsible for the other information in the annual accounts. The other information comprises the Management Commentary, Annual Governance Statement, Statement of Responsibilities and the unaudited part of the Remuneration Report.

My responsibility is to read all the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If I identify such material inconsistencies or apparent material misstatements, I am required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon except on the Management Commentary and Annual Governance Statement to the extent explicitly stated in the following opinions prescribed by the Accounts Commission.

Opinions prescribed by the Accounts Commission on the Management Commentary and Annual Governance Statement

In my opinion, based on the work undertaken in the course of the audit:

- the information given in the Management Commentary for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with statutory guidance issued under the Local Government in Scotland Act 2003; and
- the information given in the Annual Governance Statement for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Delivering Good Governance in Local Government: Framework (2016).

Matters on which I am required to report by exception

I am required by the Accounts Commission to report to you if, in my opinion:

- adequate accounting records have not been kept; or
- the financial statements and the audited part of the Remuneration Report are not in agreement with the accounting records; or

- I have not received all the information and explanations I require for my audit.

I have nothing to report in respect of these matters.

Conclusions on wider scope responsibilities

In addition to my responsibilities for the annual accounts, my conclusions on the wider scope responsibilities specified in the Code of Audit Practice, including those in respect of Best Value, are set out in my Annual Audit Report.

Use of my report

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice, I do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.
