WELCOME LETTER FROM Mrs McLean, HEADTEACHER

Dear Parents / Carers,

I would like to take this opportunity to extend a warm welcome to you and your child on behalf of the children, staff and wider school community. We look forward to working closely with you to deliver an excellent education and primary school experience for your child.

At Muirfield Primary School we work together to provide a positive and motivating ethos in which all children are encouraged to aspire to be the best they can be and strive for continuous improvement in all that they do.

We aim to provide the best opportunities for all of the children in our care to develop as effective contributors, confident individuals, responsible citizens and successful learners. To achieve this we are building on the many ways in which we can encourage, value and celebrate learning and achievement. We do this in a nurturing and caring environment where children, staff and all partners in the school community value and respect themselves and others.

The following handbook supplies you with a variety of general information about the school. Should there be any points about which you wish further details, please do not hesitate to contact me here at school.

Yours sincerely,

S McLean

Sally McLean
Head Teacher

ORGANISATION OF THE SCHOOL DAY*

Stage	Start	Break	Lunch	Close
Primaries 1 and 2	9:00am	10:30 – 10:50am	12:30 – 1:45pm	3:15pm
Primaries 3 to 7	9:00am	10:30 – 10:50am	12:45 – 1:45pm	3:20pm
Pre-School (morning)	8:45am			11:55am
Pre-School (afternoon)	12:20pm			3:30pm

Correspondence home

Almost all correspondence from the school will be by email as this not only saves the school money on paper and ink but also helps with our Eco School Green Flag status. Please see Mrs Findlay in the school office if we do not have your current email address. Only notes with a return slips will be sent home with the eldest child of each family. Please check school bags nightly as sometimes children forget! Our main platform for day to day communication is on the Dojo app. Please see the separate guidance for this and enquire at the school office if you need assistance with Dojo.

Breakfast Club

We operate a very successful breakfast club which is open every morning from 8:15am to 8:45am. Pupils can come and enjoy a wide range of different breakfast options. This is a free service for all pupils and is staffed by Tayside Contracts staff and our SPSA staff, from our PEF fund.

Playground and lining up

In our school we encourage parents not to be in the playground in the mornings and at the end of the day. Children need a safe place to play without lots of adults standing in the playgrounds. Our SPSA and SLT team are in the playground every morning from 8.45am to supervise children and encourage independence in the playground. At the end of the school day we encourage parents to meet their children **outside** the school gates so all pupils can exit the building easily and safely.

VISITS OF PROSPECTIVE PARENTS – see link below:

[Choosing a school: a guide for parents \(Scottish Government\)](#)

Please contact the school office if you are interested in visiting our school. A member of the senior management team will be happy to meet with you and show you around our school. Once your child has been allocated a place we will invite you to meet the staff and children, find out more about the curriculum and share information about your child.

SCHOOL UNIFORM

To develop a sense of belonging and identity, pupils are encouraged to wear school uniform which is available locally and consists of:

- Blue and Silver Tie
- White Shirt/Blouse/Polo Shirt
- Grey or Black Trousers
- Black Shoes
- Blue Sweatshirt/Cardigan

* Orders for school sweatshirts, polo shirts, ties, fleece jackets and reversible jackets can be made at any time using the School Trends' website (www.schooltrends.com). We also hold a limited stock of these items; please contact the school office for more information. We also have a pop up uniform store where you can take uniforms for free if you need them. Please just pop in and help yourself – this helps us with recycling and towards our Green Flag Award.

Here are some examples of our school uniform:

PE KIT

Gym Kits should be kept in school in a small gym bag. A gym kit should consist of;

- Plain shorts (above knee length, preferably without pockets)
- Plain white T-shirt
- Black Plimsolls

Pupils should also have an outdoor gym kit in school, as they often undertake PE lessons outdoors, which should consist of:

- Jogging trousers/leggings
- White T-shirt
- Fleece / warm top
- Outdoor trainers
- Indoor trainers would be helpful

All clothing brought to school should be labelled with your child's name, as it is difficult for children to distinguish their own clothing from others.

PARENTAL CONCERNS

Parents should contact the school as soon as possible if they have any cause for concern. It is our wish to deal with all matters as early as possible to support your child and family to come to a resolution.

Please contact the school office to request a time to speak to either your class teacher or a member of the SLT team. We have an open door policy and are always happy to help and discuss things with you. It may be that someone is not available right away but we will always endeavour to call you back as soon as is possible.

THE COMPLAINTS PROCEDURE – also see link below:

[Angus Council complaints procedure](#)

PARENTAL INVOLVEMENT

The school values the important part that parents play in their children's education and we know that our partnership with parents is an effective way of enhancing children's achievements and promoting a good school ethos with strong communication.

Opportunities for Parental Involvement:

During the school day:

- Sharing knowledge and expertise in some aspect of the curriculum, e.g. topic talk, history, science, health and so on
- Practical activities in science, maths, social subjects, health education (e.g. first aid) or technology
- Supporting educational visits/trips
- School concerts – making costumes, props, supervision of children
- Road safety – Bikeability Training
- Helping in the school library
- Reading stories to groups of children or playing reading games
- Supervising maths games
- Teaching playground games

Out with the school day:

- Fundraising events – school discos and sports days
- Trips e.g. sporting events, concerts
- Extra-curricular activities, such as, coaching, sports clubs, library and homework clubs. There are more opportunities to be involved in clubs which are detailed in the regular newsletters.

If you wish to be a regular parent helper, PVG (Protecting Vulnerable Groups) checks have to be completed. Please discuss this with staff.

Parents are invited to attend two Parents Evenings throughout the year. At these meetings parents will have the opportunity to meet their child's class teacher for a 10 minute interview and hear about their child's progress. This is also an opportunity for parents to hear how they can best support their child's learning. Parents are also encouraged to look at their child's journal on dojo, follow the class and whole school story to keep up to date with what is happening in school. Our children will also post images of their own work to share with you. Please comment and click on and like posts from your child and child's class. You may individually message your class teacher within working hours to ask any questions or request a call. Please do not use dojo to inform us of absences or changes to pick up arrangements, these should always be through our school office.

Additionally, pupils will compile a learning journal on Dojo which will include pieces of work from throughout the curriculum. This is an ideal opportunity for parents to discuss how the pupils feel they are progressing in school and what their next steps should be. We encourage parents to share their views on the work sent home and share with us any achievements that your child has accomplished out with school so that we can celebrate these within our school community. Additionally, every Friday parents will receive a comment from your child's class about their learning that week. Photographs of significant events will also be shared on the Class story in Dojo.

Throughout the school year there will also be several opportunities to visit the school to see how new initiatives and resources are being used and for parents to share what the pupils have been learning. We value your participation in these events and welcome feedback about how we can improve.

This year we plan to roll out the very successful "Soft Start" programme to P1-7 classes. During the course of the year pupils will invite a special visitor to their class for the first half hour on a designated Friday morning. This is a great opportunity to spend some informal time in your child's classroom.

SCHOOL ETHOS

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos and the curriculum. This will be undertaken in partnership with parents and will take account of the individual needs of pupils and the views of parents.

Our school welcomes and encourages diversity and individuality, while emphasising our common commitment to moral values such as honesty, respect for others, compassion and justice. We believe that it is fundamental that all who are involved in the life of our school both have the right to be respected as individuals, and carry the responsibility to act in a considerate and respectful manner towards others. We implement the Council policy for

Equal Opportunities and Racial Equality and ensure that all pupils have access to the full range of educational experiences available within the resources of the school. We are firmly committed to the elimination of any form of discrimination on the grounds of race, religion, gender or disability.

We have links with the West Kirk and visit the church to celebrate Christmas, Easter and an end of term service.

SCHOOL AND COMMUNITY LINKS

Muirfield Primary is an integral part of the community of Arbroath. Children develop skills and learn to be better citizens as they engage with and support the work of the local community. Our pupils participate in community events and competitions organised by the churches and the Rotary Club. They visit the elderly at Christmas time to entertain and take part in intergenerational activities. We also have close links with Hospitalfield which help enhance our school curriculum and experiences for every child.

We also participate in a wide range of sporting festivals, leagues and competitions. We often have visits and sessions with local sports clubs. This session we have had an after-school club run by Abbey Bowling Club. We also have links with Arbroath Cricket Club and Arbroath Tennis Club. Many of our lunchtime and after school clubs are run by a range of volunteers, some of whom come from Dundee and Angus College.

POSITIVE BEHAVIOUR MANAGEMENT

[Angus Council anti-bullying policy](#)

Our approaches to managing behaviour are rooted in wellbeing and relationships

At Muirfield we want to work together to build positive relationships and recognise individual strengths and needs. We seek to provide exciting and rich learning opportunities to enable all learners to experience individual and collective achievement and inspire a life-long desire to learn.

Good behaviour and positive relationships are instrumental to good learning. At Muirfield Primary we aim to create an atmosphere of mutual respect and collective responsibility. Pupils, parents and staff all have an important part to play in producing and sustaining this positive ethos. We focus on our values that we all live by every day. These values are:

- **Relationships & Teamwork**
- **Resilience & Determination**
- **Creativity & Motivation**
- **Responsibility & Effort**
- **Fairness & Respect**

We recognise that children work harder when they know their work will be appreciated and praised. All staff encourage pupils to give their best in every activity they undertake. Their effort is recognised on our class 'Recognition Boards' which are focused on promoting the school values and acknowledging children who achieve these whilst emphasising the behaviour we expect to see, we are always encouraging children to go 'above and beyond' and exceed expectation.

More details on our positive behaviour approach can be found in our “Wellbeing and Relationships Policy” which is available at the school office.

CELEBRATING ACHIEVEMENT

At Muirfield we are committed to celebrating the achievements of all our pupils within and out with school. Here are some of the ways we do this;

- Assemblies - children's achievements are often acknowledged at assemblies and shared with the whole school community.

- Pupils can also be awarded gold stickers for a wide range of achievements, including being a good role model, showing good manners, improvements in learning, being supportive to others and other positive characteristics.
- Whole classes can also be awarded "Class of the Week" for a wide range of achievements. Each class has a 'Class 50 star chart' to recognise and reward achievements. Children select an appropriate reward for gaining 50 stars during the term.
- At the end of each session there are a variety of prizes that are awarded at our annual prize giving.

EXTRA-CURRICULAR ACTIVITIES

There is a variety of extra-curricular activities available in which your child can participate. These include:

- Basketball (Monday 3:20 – 4:30pm)
- Football (Tuesday 3.20 – 4.30pm)
- Netball (Wednesday 3.20 – 4.30pm)
- Golf (Thursday 3:20 – 4:30pm)
- Performers Club (Friday 3:20 – 4:30pm)

We are also lucky to have several lunch time clubs which are led by our senior pupils and supervised by a member of staff. Other clubs which run intermittently and are supported for short blocks of time by Dundee and Angus College students.

Senior Pupils have recently undertaken Young Leader Training and running these clubs allows them to put into practice the skills they have learned.

PUPIL COUNCIL (including pupil leadership)

At Muirfield, we believe that we all have a role to play in making sure our school is the best it can be. All pupils from P3 to P7 therefore take part in Pupil Leadership Groups. Each group works with a member of staff to set and meet their group's targets over the year, and to plan events for the whole school. This year, we have eight leadership groups working on various themes. These are linked to school, local, national or global priorities.

They are:

Fairtrade – maintaining our Fairtrade accreditation

Sports Council – working towards Gold Sports Scotland award

Digital Leaders – exploring ways we can use technology more effectively

Travel Group – encouraging safe and healthy travel to and from school

Reading Council – developing our library and events to celebrate reading

Health – Food in the Environment, Bounceback and Anti-bullying

Eco – Energy, Water and Waste minimisation, including litter

STEM – Science, technology, Engineering and Maths

If you feel you can contribute to the work of any of the groups, please contact the school office.

We have an active Pupil Council which includes representatives from P3 – P7. The Pupil Council members are selected from each of our Pupil Leadership groups so that there is a

variety of representation and they hold office for the duration of one year. Throughout the year they will meet regularly with the school's leadership team. They will be involved in taking forward school improvement priorities and addressing emerging issues as they occur, as well as feeding back on the work of their leadership group.

The Learning Detectives are a focus group of pupils from each year group from P3 – P7 who meet with the school's leadership team regularly to discuss and help us evaluate the learning in Muirfield.

LEARNING OPPORTUNITIES

Your child will learn in a variety of different contexts using a variety of strategies including co-operative and active learning. P6 and P7 pupils take on the roles of Young Leaders and buddies to further develop their leadership skills. Classes throughout the school are encouraged to share their learning with others.

THE PUPILS' AND PARENTS' VOICE

Personalisation and choice is one of the seven principles of curriculum design and children and young people throughout their education will have the opportunity to discuss with their teacher the context in which they learn and how they will approach the learning. Staff will discuss new learning with the children at the beginning of a new topic and plan together the areas of specific focus e.g. World War 2 – The Battle of Britain. This will be shared with parents through photographs on Dojo and parents will be invited to support the learning by sharing resources from home e.g. ration book or visit the school to share a talk. Parents will be invited to share their comments regarding the planned work for their child at various points throughout the year and are encouraged to feedback comment at any time through their child's homework diary.

THE CURRICULUM AT SCHOOL, LOCAL AND NATIONAL LEVEL

Open afternoons are an excellent opportunity for parents to learn about the curriculum we offer at Muirfield Primary. During these events the children will describe and share their first-hand experience of the curriculum in school. National information can be found from the numerous sources listed at the back of the handbook.

More local information can be found through the link above. There are links to national information at www.angus.gov.uk/linksforparents

EARLY LEARNING AND CHILDCARE

In Scotland all three and four year olds, and some two year olds, are eligible for up to 1,140 hours a year of funded early learning and childcare (ELC). Our ELC class offers sessions between 8.50am and 2.50pm, 5 days a week, over 40 weeks of the year. Other attendance patterns are available in other Angus Council settings and in our wide range of partner nurseries, playgroups and childminders. To find out more about the benefits of ELC and the options available, visit our dedicated ELC web pages at www.angus.gov.uk/earlyyears

LIAISON WITH SECONDARY SCHOOL

The school maintains close links with Arbroath High School and other Primary Schools within the Angus area. Our teachers and in some cases our pupils visit other schools and establishments and other teachers and pupils visit us. This process is necessary for the professional development of staff, reciprocal understanding and the establishment of curricular consistency.

SCHOOL IMPROVEMENT

MAIN ACHIEVEMENTS

In session 2021-22, we:

- Increased the number of learners who can articulate what they are learning, how they are learning and why they are learning
- Improved literacy learning experiences through the consistent use of the SRS pedagogy and ensure this is used systematically
- Ensured consistency of approach in numeracy by embedding mastery learning.
- Continued to improve numeracy in the early years through the introduction of Numicon resources
- Staff began to apply the principles of nurture into their daily practice.
- Increased awareness of impact of trauma and nurture approaches across the school community

*Most staff have completed ELKAN training which is focused on Speech, language and communication Development. We are working towards being a Communication Friendly Setting and hope to be accredited in this award 22-23 session.

- Continued to develop staff confidence in using digital tools to enhance learning and teaching
- Teaching and learning was enriched and supported by use of digital technologies.
- Improved the early years' curriculum, including improved understanding of language development and attention and listening skills
- Used reflective self-reflection to improve the validity and reliability of our evaluative scores

IMPROVING STANDARDS

We improve our standards by:

- Using data to verify judgments and direct additional support where necessary
- listening and responding to the views of our Parent Council
- gathering comments and feedback from parents about their children's learning through learning journals, informal conversations and surveys
- reviewing pupil progress regularly and identifying where additional challenge or support is required
- reviewing our practice using the quality indicators from "How good is our school"
- undertake high quality moderation processes to ensure the best standards for our learners
- undertaking learning visits and speaking to children about their learning
- gathering feedback from relevant CPD undertaken

SCHOOL IMPROVEMENT PLAN

In 2022-23 we hope to:

- Ensure all children are competent talking about UNCRC and have a developing understanding of Learning for Sustainability
- We hope to be accredited the Bronze Rights Respecting School Award showing all children are confident about their own rights
- Review our curriculum rationale and review our curriculum in line with national developments
- Develop staff knowledge and understanding of trauma and explore how nurturing principles can support children
- Develop our knowledge and understanding of Emotion Coaching and begin to embed this into our everyday pedagogy
- Develop our approaches to outdoor learning and sustainability including our use of play-based learning
- Develop staff skills to support children's development of language and communication skills and gain the Communication Friendly Setting Award
- Continue to develop teacher efficacy to ensure high-quality learning and teaching provision as part of our universal offer
- Continue to develop our approaches to parental involvement in the life and work of the school including school improvement

READ, WRITE, COUNT

The Read, Write, Count programme aims to support parental engagement in literacy and numeracy. Gift bags are distributed annually to all P2 and P3 pupils in Scotland by Scottish Book Trust. The gift bags contain essential literacy and numeracy materials to support children's learning, as well as advice and support to parents.

Studies show a direct link between a strong family learning environment and progress in reading, writing and counting. In addition to the parent guide included in the gift bags, the Parent Club [website](#) offers a range of hints, tips and advice to help parents engage in their child's learning

HEALTH CARE

You can contact your school health staff at: -

Abbey Health Centre (01241) 430303. Amanda Simpson or Diane Keith.

DOGS IN SCHOOL GROUNDS

We understand walking your child(ren) to and from school/nursery is an ideal opportunity to walk dogs. However, the safety and wellbeing of our pupils, families, staff and community is paramount. Also, some children feel intimidated or unsure of dogs.

So, please ensure dogs (except for service dogs) are not brought into school grounds.

And if you are walking your dog to and from school, please remain at a reasonable distance from the school gate.

This will enable children and adults to enter and exit safely.

We'd ask you to pass this information on to other adults who bring and/or collect your child(ren) from school.
