

This addendum has not been published within the required three clear days and therefore it will be a matter for the Convener to determine whether this item should be considered as a matter of urgency.

AGENDA ITEM NO 4

REPORT NO 12/23

POLICY AND RESOURCES COMMITTEE

7 FEBRUARY 2023

ANGUS COMMUNITY PLAN 2022 - 2030 (ADDENDUM)

REPORT BY MARGO WILLIAMSON CHIEF EXECUTIVE

ABSTRACT

This addendum advises Members of amendments to the Angus Community Plan 2022 - 2030. Officers recommend that the Policy and Resources Committee consider the revision alongside the report published as Appendix 1.

1. RECOMMENDATIONS

It is recommended that the Committee:

- (i) Notes the amendments received from partners contained within the previously published Appendix 1 (also attached to this addendum) (page 32 of the combined papers).
- (ii) Agree to remove the targets for this measure.

2. UPDATED POSITION

2.1 Following the publication of the papers an amendment has been picked up as follows –

Recorded crimes and offences per 10,000 is listed as 702.92 in the table. This figure is incorrect and should read 293 for Angus with the whole Scotland figure being 451.

It is also not appropriate to set targets for recorded crime due to the complex nature of the measure and the percentage of police time applied to this work.

It is therefore requested that committee agree to the measure remaining in the plan, but remove the targets for years 3, 5 and 8. In this way both Angus Council and partners will continue to be sighted on the measure and resulting performance over time.
