## Directorate:- Education &amp; Lifelong Learning

Service Area	Description of Budget Issue	2023/24 Total £m	2023/24 Ongoing £m	2023/24 One-off £m	2023/24 Staff Impact FTE
Support for Pupils	PPP Unitary Charges inflationary increase. This is an unavoidable contractual increase (based on February RPI - not available until mid-March 2023) which is projected to be significant in scale given current inflation levels. The issue has been estimated using the August 2022 RPI level (12.3%). This remains a reasonable assumption but is not without risk based on the latest RPI level of 13.4% for January 2023.	1.008	1.008	0.000	0.0
Support for Pupils	Home to School Transport - inflationary increases. High levels of inflation (9.9% CPI at August 2022) mean that there is an expectation of a significant increase in school transport costs for 23/24. These are contractual cost increases which cannot be avoided and will to be applied on a quarterly basis given the projected level of CPI. The % increase assumed remains reasonable but is not without risk given latest CPI of 10.5% for January 2023.	0.373	0.373	0.000	0.0
