

ANGUS HEALTH AND SOCIAL CARE
INTEGRATION JOINT BOARD AUDIT COMMITTEE – 21 JUNE 2023
2022/23 UNAUDITED ANNUAL ACCOUNTS
REPORT BY ALEXANDER BERRY, CHIEF FINANCE OFFICER

ABSTRACT

This report sets out Angus Integration Joint Board's (IJB) unaudited annual accounts for financial year 2022/23. These reports require to be considered by the IJB Audit Committee, then submitted to the IJB's External Auditors for review and auditing.

1. RECOMMENDATIONS

It is recommended that the IJB Audit Committee:-

- (i) Notes the background regarding compilation of this year's IJB's Unaudited Accounts.
- (ii) Reviews the unaudited accounts and confirms the submission of the unaudited annual accounts to the IJB's External Auditors.

2. BACKGROUND

The IJB's Unaudited Annual Accounts for 2022/23 are included at Appendix 1.

As a formally constituted body the IJB is required to produce a set of formal Annual Accounts.

The accounts have been produced:-

- In accordance with Local Authority Accounts (Scotland) Regulations 2014 and Regulations under Section 106 of the Local Government (Scotland) Act 1973.
- In line with LASAAC (Local Authority Scotland Accounts Advisory Committee) guidance "Additional Guidance on Accounting for the Integration of Health and Social Care" (revised March 2019).
- With reference to the template for IJB Annual Accounts produced by CIPFA (Chartered Institute of Public Finance and Accountancy).
- Taking into account the Code of Practice on Local Authority Accounting in the United Kingdom 2022/23.
- Reflecting technical guidance issued by LASAAC and others re financial treatment of COVID-19 related costs (continuing to use guidance issued for 2021/22).
- In line with CIPFA Bulletin 05 (April 2020) which provided guidance as to how to reflect the impact of COVID-19 in annual accounts with the major impact for Angus IJB being to ensure the impact of COVID-19 is adequately reflected in narrative commentary.

While the above documents provide a helpful framework for the completion of the IJB's Annual Accounts, it remains possible that further technical guidance or clarification may still be issued for 2022/23.

The unaudited Annual Accounts ultimately submitted to the IJB's External Auditors will include the updated Annual Governance Statement after it has been the subject of separate IJB Audit Committee consideration (IJB Audit Committee, June 2023) and an extract of the IJB's Annual Performance Report (as per information available at June 2023). In agreement with the IJB's

External Auditors, performance information will be updated during the audit period to reflect the receipt of any finalised 2022/23 performance information.

The IJB's Annual Accounts are intended to be an accessible, stand alone document. They contain the required features of a set of Annual Accounts including: -

- Management Commentary
- Governance Statement
- Remuneration Report
- Statement of Responsibilities
- Comprehensive Income and Expenditure Statement
- Movement in Reserves Statement
- Balance Sheet
- Notes to the Accounts.

IJB Audit Committee members should note that page numbers and any text in "red" in appendix one will be updated at a later stage in the Annual Accounts process. Members should also note that the "Unaudited Annual Accounts" will be further proof-read before final submission to the IJB's auditors. This task normally happens prior to reports being submitted to the IJB Audit Committee, but that has not been possible due to timing issues.

3. CONCLUSIONS

The IJB's Audit Committee needs to review the IJB's unaudited annual accounts and then confirm that it is content for these accounts to be submitted to the IJB's External Auditors.

4. EQUALITY IMPACT ASSESSMENT

An Equality Impact Assessment is not required.
