Further information.

Angus has seen a rise in vehicle crime where perpetrators target unlocked vehicles with intention of stealing them or stealing from them. We have previously seen occasions where perpetrators have also entered unlocked houses and stolen vehicle keys. We would encourage residents to keep their vehicles and properties secure and continue to report any suspicious activity to us.

We are strongly encouraging residents to sign up to 'Neighbourhood Watch Scotland' the details of the scheme are above. This allows residents to be notified via email of local crime trends, guidance and advice.

We have also obtained a stock of no cold calling door stickers from Trading Standards that we will distribute in the local area.

In addition to the above we have recently attended at Tealing Primary School and carried out an Online Safety, Social Media and Mobile phone presentation to the P5 – P7 classes, this was well received by pupils and staff.
