Prior to the commencement of the business, the Convener intimated that he would like to mark the death in service of a Council Officer, Mike Millar, Building Standards who had sadly passed away on 1 August 2023 after a short illness bravely borne. Mike had worked with the Council for over 36 years and as an Angus man, cared passionately about our area and had an enviable reputation for helpfulness and always doing his very best to serve our people. Mike was liked and respected by his colleagues and by all those in the construction industry that worked with him. He was renowned for his hard work, professionalism, approachability and sense of humour, and he was a role model, mentor and friend to all of his work colleagues both past and present. The Convener intimated that sadly we don't always get the opportunity to recognise and thank those that deserve the most credit and it was important that those who knew and loved Mike understand the high esteem in which he was held.
