## Services on public holidays

No services will run on 25/26 December and 1/2 January. On other public holidays, the advertised service will run.

## Important information about demand responsive journeys:

### Service 537 and 538 demand responsive journeys operate Mondays to Fridays ONLY

Journeys on Service 539 run on a demand responsive basis; i.e. when requested to do so by intending passengers. These services will operate on all adopted roads where requested and where possible to do so within a limited area.

Your pick-up time will be confirmed by 17:00 the day before travel. Passengers are nevertheless asked to be ready at least 10 minutes before the time agreed. Whilst every effort is made to accommodate customer requests for pick-up times, calls are on a first come first served basis; your time may therefore need to be adjusted to fit into the daily travel schedule

## Booking the service

A journey should be requested by phoning Angus Council's Demand Responsive Transport Hotline number on 07584 206124 between the hours of 09:00 and 15:00, Monday to Friday. Bookings can be made up to one week in advance, but to ensure your seat is booked, please call us by 15:00 the day before you intend to travel. Remember that if a journey is not booked, then it will not run.

When you call you will be asked a number of questions (see below). These are designed to tailor journeys to suit your individual needs as far as possible. We will also request your permission to keep your details on file to make your future bookings quicker. It is not necessary to allow us to keep your details in order to book the service. We will not pass your information on to anyone else and will remove your details from the database if you do not use the service again within six months.
