Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We do not need to harm our local businesses with a chain store. Why put a pizza place right next door to an existing pizza place and to compete with a long standing local. I personally will boycott and encourage others to do the same. This happened with Costa and I hope if they are successful it will happen with dominos. Please consider the impact on our high street.

Comment Reasons:

Comment: I object to this application on the grounds of road safety and access, parking issues and impact on traffic movement.

The property in question is on the corner of Station Road and High Street, a busy intersection with very limited parking in the immediate vicinity. This is also on the main bus route through the town.

Granting of permission would surely result in a significant increase in road traffic, both in terms of customers wishing to collect their pizzas and in terms of delivery drivers awaiting pick up of the orders they are being asked to deliver.

This increase in road traffic poses a risk to pedestrians and cyclists alike.

Almost inevitably there would be an upsurge of illegal parking as clients 'nip in' to collect their orders and this has the potential to disrupt traffic movement, especially that of buses and larger vehicles.

In summary, I am strongly opposed to the granting of approval for this application.

Comment Reasons:

Comment: Firstly, a pizza restaurant is next door. Is that fair to an established business? Also to Titanic pizza well established along the High St. There are also numerous other take aways in the High St. Do we really need another? Questions regarding Dominoes deliveries, takeaway drivers, pick ups parking etc on a busy junction. Litter problems? Late night noise and nuisance? Multi nationals are not suited here, as Costa found out. We should learn lessons from that!

Dear Sir or Madam,

Please find enclosed a petition containing 100 signatures of Carnoustie residents who wish to oppose the opening of Dominoes Pizza shop on Carnoustie High Street.

There is no need or want for a Dominoes in Carnoustie as they already deliver here from Panmuirfield and there is no appropriate parking for another takeaway shop especially in this proposed location.

Please take on board our opposition to this as we do not want a Dominoes chain pizza shop in Carnoustie

Yours Sincerely

Would you please like to add your name to our petition to object against the proposed opening of Dominoe's Pizza on Carnoustie High Street
