

Notes:

1. This drawing to be read in conjunction with all relevant architects and engineers drawings and specifications.
2. Levels shown are metres above ordnance datum, dimensions are in millimetres, unless noted otherwise. Positions of rivers and discharge stacks are shown indicatively and are assumed based on preliminary floor layouts.
3. All work shall be carried out in accordance with all pertinent health and safety regulations.
4. Existing below ground services are to be accurately located prior to excavation. Appropriate clearances and methods as required by the asset owners guidance shall be maintained to avoid strikes, damage or undermining.
