

# **Comments for Planning Application 24/00289/FULL**

## **Application Summary**

Application Number: 24/00289/FULL

Address: Union Park Links Avenue Montrose

Proposal: Erection of New Community Sports Building and ancillary works including the formation of a parking area

Case Officer: Damian Brennan

## **Customer Details**

Name: Mr Barclay Bisset

Address: 18 Whinfield Road Montrose DD10 8SL

## **Comment Details**

Commenter Type: Member of Public

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I have no objection provided there is adequate provision for parking, as currently there is extreme congestion in Whinfield Road on event days due to cars parking all along the road reducing the carriage way to one lane. This includes rows of cars parking outside houses seriously restricting vision for house owners when leaving their driveways with real potential for accidents.

## Application Summary

Application Number: 24/00289/FULL

Address: Union Park Links Avenue Montrose

Proposal: Erection of New Community Sports Building and ancillary works including the formation of a parking area

Case Officer: Damian Brennan

## Customer Details

Name: Mr Ian McGeoch

Address: 27 Union Row Montrose Dd108qh

## Comment Details

Commenter Type: Member of Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Is the venue going to have an alcohol license?

Is the venue going to be used for social events?

How late will it be open?

Will the flood lights be, if so how late will they be on.

Will this venue be used all year round for sport or social events.

If you do have a alcohol license, how late do you plan to have the venue open.
