

ANGUS COUNCIL

SPECIAL ANGUS COUNCIL – 27 FEBRUARY 2025

**ALTERNATIVE BUDGET PROPOSAL – BY TWO NON ALIGNED COUNCILLORS IN TERMS OF
STANDING ORDER 4**

REPORT BY IAN LORIMER, DIRECTOR OF FINANCE

1. ABSTRACT

- 1.1 The purpose of this report is to detail the alternative budget proposal by two Non Aligned Councillors, Councillor Doran and Councillor Scott submitted in accordance with Standing Order 4. Standing Order 4 allows for the publication of budget proposals by any group of elected members or an elected member as part of the reports for the Council meeting today.

2. ALIGNMENT TO THE COUNCIL PLAN AND COUNCIL POLICIES

- 2.1 This report contributes as a whole to the local outcome(s) contained within the Council Plan. The Budget including savings and investment proposals has been developed on a basis which seeks to reflect the Council's priorities and those outcomes the Council as a partner within the Community Planning Partnership is trying to deliver.

3. RECOMMENDATION

- 3.1 It is recommended that the Council:-
- (i) Note that in accordance with Standing Order 4 the budget proposals set out in this report have been submitted by two Non Aligned Councillors.

4. BACKGROUND

- 4.1 The background to the budget and the decisions which need to be made to set the budget and Council Tax are set out in Agenda Items 3 to 5. In parallel with the process to prepare that budget information, officers have supported the work of the Non Aligned Councillors in the preparation of an alternative budget proposal and have been responsible for providing factual advice on the Council's finances as well as on matters of competency. Officer support has been led by the Manager (Finance – Corporate Support) to provide independent advice from those officers advising the Council's Administration Group. This has necessitated consideration of all pertinent budget matters e.g. budget issues, Change Programme savings, service charges, Council Tax level and, use of Council Reserves. These determinations have permitted an alternative budget proposal to be presented. The alternative budget proposal set out in this report has been reviewed by the Section 95 and Monitoring Officers to confirm that it is capable of implementation and can therefore be considered competent.
- 4.2 This report presents the Non Aligned Councillors budget proposals on the basis of how they vary from the recommendations which were considered by the Policy & Budget Strategy Group (PBSG) at its final meeting on a cross-party basis on 22 January 2025. This is rather than presenting all of the reports on the agenda again with alternative budget content. This approach has been taken in order to:-
- Limit the extent of budget papers that elected members must consider, many of which would otherwise require to be presented again while being wholly or almost wholly the same in content; and
 - Facilitate clarity on the variances between the proposals within the various budgets presented from different groups of elected members.
