

Young People's Feedback

Use the young people's feedback form to help your service evaluate your engagement with young people. The checklist aligns to the principles and methods of communication and engagement in the guidance.

How would you rate our engagement with you?

Rate the statements below on a scale 1-5. 1 being not good and 5 being excellent.

	★	★★	★★★	★★★★	★★★★★
Planning and working together					
We worked together to co-produce the engagement activity					
I knew my involvement was voluntary					
The topic was relevant to me					
I knew why my views were being asked for					
I knew what could change as result of me sharing my views					
Together we agreed a suitable time to meet in a safe space					
The methods for engaging young people were suitable for all					
Included and supported					
There were no barriers to me being involved					
Young people felt included, and the engagement was accessible for all					
I felt safe sharing my views throughout the engagement					
I felt listen to					
I felt my opinions were valued					
I knew if my views were to be shared with others					
Communications and engagement					
Services used language/words I could understand					
I know I will receive updates about the engagement
